LaserCare, Inc. Achieves Spot On Inc. 5,000 List of Fastest-Growing Companies

Beaverton, OR, August 23, 2007 – LaserCare Inc, a leading printer management company, today announced that Inc. Magazine named the company to their distinguished Inc. 5000 List. The publication's 26th annual list ranks the fastest-growing private companies in the country. LaserCare was ranked 3526 on the list with a three-year growth rate of 83.4 percent. LaserCare ranked in the top 100 for the Portland, OR metro area.

“Inc. is the premier entrepreneurial magazine, and to be listed within the ranks of these highly respected companies is truly an honor. This achievement and our ongoing success could not have been attained without the continued patronage of our customers and efforts from our manufacturers and every one of our 18 employees”, states Chuck Morgan, President of LaserCare.

Since 1991 LaserCare has been managing the printer environment needs of companies throughout the Portland metro area. Current clients including some of the Oregon’s most respected institutions and companies such as Fred Meyer, Banfield - The Pet Hospital, Portland Community College, Portland State University, OHSU, Empire Pacific Windows, and Oregon Ironworks. Today, LaserCare’s National Service and Sale program helps serve the business printing needs of companies across the country.

The 2007 Inc. 5000 list measures revenue growth from 2003 through 2006. To qualify, companies had to be U.S.-based and privately held, independent - not subsidiaries or divisions of other companies - as of December 31, 2006, and have had at least \$200,000 in revenue in 2003, and \$2 million in 2006.
