

Product Warranty

If any service or product provided by LaserCare fails to meet or exceed your expectations, LaserCare will replace, repair or refund as appropriate for up to six months.

In the unlikely event that our cartridge should be defective, we will promptly replace it with a new one. In the even less likely event that our cartridge should damage your printer, LaserCare will send someone to fix it promptly & you will never see a bill. And if for some reason your printer is damaged beyond repair we will replace it with one of equal value.

This warranty is dependent upon the customer providing LaserCare with satisfactory evidence that the printer or copier failure was due to a defect in the LaserCare provided cartridge. Return of the defective cartridge is required. Any sign of tampering with the cartridge by non-LaserCare representative will void this warranty. LaserCare's liability hereunder shall be limited to replacement or reimbursement as provided above. This warranty is exclusive, and in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose.
